NOTE: This certificate evidences compliance with one or more of the Rules, Codes, Standards or other criteria of ABS or a statutory administrative authority's standards. It is issued solely for the use of ABS, its licensees, its clients or other authorized entities. This certificate is a requirement only for the structure, item of material, equipment, machinery or any other item covered by this Certificate for one or more of the Rules, Codes, Standards or other criteria of ABS as of the date of issue. Parties are advised to review the Rules for the scope and conditions of classification and to review the survey records for a full description of any restrictions or limitation on the vessel's service or surveys. The validity, applicability and interpretation of this Certificate is governed by the Rules and standards of ABS who shall remain the sole judge thereof. Nothing contained in this Certificate or in any notices made in contemplation of this Certificate shall be deemed to relieve any designer, builder, owner, manufacturer, seller, supplier, repairer, operator or other entity of any warranty expressed or implied.
